

R A I C A

YOUTH

OUR MISSION STATEMENT:

RAICA Youth believes that the climate crisis requires immediate action and will affect theirs and future generations. By connecting and uplifting youth across Rochester area faith communities, RAICA Youth strives to harness the energy, passion, and drive of Rochester's youngest citizens to spread sustainable practices, hold leaders accountable for the Earth they will leave behind, and become a point of leadership for faith communities in fight for climate justice.

This group will open you up to exciting opportunities. You will learn about the environment and what you can do to make a difference, as well as what we can do, together, as a community of different faiths.

If you are interested in joining RAICA Youth, email Anna Purtell at: raica.youth@gmail.com
